Reviews and Comments From Our Audiences

"Love these 2! So fun and informative!! I'm learning a lot and I really enjoy the way they teach. They have insight, knowledge, humor, and joy."

I want to hear more! Better than anything else I've listened to in a long, long time. Ellen's and CL's rapport is wonderful, their approach--the topics, knowledge, sense of humor, and they way they dig into it all is so fun and informative!

Awesome show! Very informative. I've learned so much from both hosts about gardening.
